

Southwest Youth Basketball Organization, Ltd.

2010/11 Uniform Policy

- ❖ Each athlete on a SWYBO team will have a Southwest logo jersey and shorts. No names will be allowed on our game jerseys as they will be handed down from year to year to different athletes.
- ❖ SWYBO fees will cover the cost of one (1) game jersey and one (1) pair of game shorts per athlete. Any additional game uniforms are the responsibility of the athlete.
- ❖ SWYBO game jerseys and shorts are not meant to be worn at any practice, or any other non SWYBO event, period. We want our game uniforms to last and if your boys wear them for practice they won't last as long as we'd like them to.
- ❖ SWYBO game uniforms (jerseys & shorts) remain the property of SWYBO. If you fail to return your uniform at the end of the season you will not be allowed to participate in SWYBO the following year until SWYBO is reimbursed or the game uniform is return in good condition.
- ❖ Each game jersey will be reversible (with each side a different color...blue or white) with numbers on each side. Game shorts do not need numbers or logos.
- ❖ If parents or players are interested, Southwest logo apparel (hooded sweatshirts, hats, wind shirts, etc...) are available through the Southwest Booster Club.
